**TOTAL** $444.55

**Digital-first resources**

**eBookPLUS** is more than just an digital version of the print textbook. **eBookPLUS** provides students with access to the text in PDF and HTML format. PLUS a range of engaging complementary resources. These innovative resources are designed to bring the content to life and include interactivities, video eLessons, ProjectsPLUS, supplementary worksheets, relevant weblinks and more.

- **INTERACTIVITIES** provide fun, hands-on activities with instant feedback
- **VIDEO ELESSONS** enhance students’ learning
- **PROJECTSPLUS** features all the tools needed to engage and challenge students in the completion of an ICT-based research project
- **WORKSHEETS** for revision and consolidation
- **WEBLINKS** to the latest research and information
- **LINKS** to relevant Digital-first resources
- and more!

**Offline access**

**eBookPLUS** titles include a PDF of the text. The PDF can be downloaded and used offline when students don’t have access to the internet. Digital-first resources (assessON, Knowledge Quest, myWorld Atlas and myWorld History Atlas) do not have offline components due to their high level of interactivity. They allow students to personalise their resources by recording their progress and results, and authoring their own content.

** Jacaranda's $100 Digital Bundle **

**Premium resources covering nine subjects for years 7-10 students**

**$100 Digital Bundle benefits**

The $100 Digital Bundle provides your child with access to fourteen premium digital resources that would normally cost over $400 individually. The $100 Digital Bundle includes access to eBookPLUS for nine subjects as well as Jacaranda’s unique Digital-first resources:

- assessON — a revolutionary assessment tool for Mathematics and Science
- Knowledge Quest — an immersive, online English skillbuilder

**Set up process**

Jacaranda sets up each student’s JacarandaPLUS account and uploads all their digital resources, ready for the start of the school year. All student login in details are then sent to your school. Once set up, students can access their eBookPLUS resources anytime, anywhere, on any digital device. Each student’s account is password protected and should only be accessed by them. In mid-January, a ‘Quick-start’ package will be sent to your school with the following information:

- login details for all students
- what to do when a student has forgotten their password
- a list of all resources in each student’s JacPLUS bookshelf
- instructions on how to launch JacPLUS for the first time
- links to ‘help’, user guides and how to contact the customer support team.

**JacarandaPLUS** sets up process

Jacaranda sets up each student’s JacarandaPLUS account and uploads all their digital resources, ready for the start of the school year. All student login details are then sent to your school.
